2:45	ALL	Next Steps & Assignments			
3:00		Adjourn			

### Politically Smart Things To Do Right Away (work in progress)

- Get beyond requirements voluntary (green tier) and emphasize what is in it for industry (incentives)(charter) (DM)
- Single approval for 1 company with multiple sites (charter) (DM)
- Change “needs” law from 15 yr. to 25 yr.
- What are “unit costs” – stabilize bureau cost re: permittees (fits with single approval)
- Motor vehicle model - farm out to counties
- Non Metallic Mining partnerships with counties
- Ending regulatory duplication between industry engr. and DNR engr.
- DH & SB – Use of information/computer technology
- Plan review streamlining
- Recycling
